

Small Business Updates on COVID-19 Disaster Resources

Presented by the Kansas SBDC at Johnson County Community College

The COVID-19 pandemic has affected our country, our communities and more specifically our small business. During this fluid period we know that small businesses need information and assistance to address urgent financial and operational concerns. You are invited to join us as we share the most current and immediate information to help you through these uncertain times.

Monday, March 30th, 10:00 am - 11:00 am

Topics of Discussion Include:

- SBA Economic Impact Disaster Loans (EIDL)
- Families First Coronavirus Response Act
- Additional Federal Government Updates
- Tips for Operating Your Business During this Crisis
- Q & A Session

This live presentation is offered via Zoom webinar.

There is no cost to attend.

*This session will be recorded and available to those who are unable to attend the live session.
